ABOUT MGC LONG RUN 15k | 15k Relay | 5k | Kids' Fun Run

McAngus Goudelock & Courie is proud to bring the MGC Long Run 15k|5k back to Columbia for its third year. This road race began in 2014 in an effort to combine the firm's wellness initiative with its community giving program. Last year's race featured 750 runners and walkers and 125 volunteers. The 2015 race raised \$25,000 for USO South Carolina. The 2016 race includes a 15k, 15k relay, 5k and Kids' Fun Run, all taking place on Saturday, February 6 in downtown Columbia. The races will be followed by a family-friendly, fun after-party at the First Citizens Courtyard on the corner of Main and Lady Street. For all the details about this not-to-miss event, visit www.mgclongrun.com.

ABOUT USO SOUTH CAROLINA

The USO lifts the spirits of America's troops and their families. We provide a touch of home at our centers at the Columbia Metropolitan Airport and Camp McCrady Training Center. Through innovative programs and services we serve over 100,000 troops and military families across South Carolina. The USO is a private, non-profit organization, not a government agency. We rely on the generosity of our donors and volunteers to make our patriotic mission possible.

Many of us take everyday moments in our lives for granted – from family dinners and bed time stories to connecting with friends and family, or walks with the dog. But these are the very moments that our troops and their families sacrifice and miss due to their commitment and service to our country. For this reason, USO South Carolina is committed to helping our troops and their families throughout their service – making every moment count – whether they are training, deploying overseas or returning home.
